SUBJECT: Item 3b)
Receive August 2014 Financial Reports

RECOMMENDED ACTION: Review and Approve
Review and Approve August 2014 Financial Reports.

DISCUSSION:

Attached are the following reports, for your review.

August Financial Reports:

The August financials are presented in advance of the completion of the Fiscal Year 2013-2014 audit, which means that some figures are considered to be preliminary, most especially those included in the *Statement of Assets and Liabilities* (Attachment A). However, current financial information, much of which is reported in the *Statement of Operations* (Attachments B1, B2, and B3), can provide a basic idea of the fiscal activity of the Authority through the early months of Fiscal Year 2015.

Authority Net Change in Assets through August 2014 shows an increase of \$201,308, led by strong performance in the Operations (Tip Floor, Recycling, Greenwaste) and Programs (HHW and Programs) divisions of the Authority. Revenue is performing at expected levels; however staff expects revenues to dip slightly heading into the winter months, when mobile HHW collection events are put on hold for poor weather. The expectation of rain in the coming months should once again cause revenues overall to dip slightly through the winter season.

Of most concern in this first month of the new Fiscal Year is the increased cost of Satellite Facility transportation and disposal from the Eel River Disposal site. Staff will be monitoring costs incurred, however original estimates for the tonnage being shipped from those facilities used the new rates proposed by Solid Waste of Willits, and currently those tonnages are instead being hauled to Dry Creek Landfill. This assists in meeting tonnage requirements under the Authority's Landfill Capacity agreement with DCL, but comes at a much higher cost than the SWoW agreement provides to Member Agencies.

Staff is prepared to answer any questions regarding these initial Fiscal Year 2015 financial reports.

August Activity Report:

The Activity Report (Attachment C) compares tonnage and revenue information on a current-to-previous Fiscal Year basis. Current tonnage numbers are down 5.5% compared to the previous year's totals. The most significant cause of this involves tonnage generated through the two companies which also operate as the Authority's Satellite Facilities; Humboldt Sanitation and Eel River Disposal. Tonnages generated through self haul activities and agreements outside Franchise agreements with the Authority's Member Agencies may be handled however these operators choose, and therefore are not reportable under the Authority's total tonnage collected.

Much of this tonnage, however, will generate County-Wide Pass Through Fees. The Authority continues to recognize revenue from the disposal of this waste, however the effects of solid waste outside the Authority's system contribute to the 5.4% reduction in revenue comparative to last year's numbers.

Overall activity in Household Hazardous Waste is up compared to activity through August 2013. Traffic numbers have increased by 11% over the previous year, although revenues are down approximately 8%. In general, this revenue decrease is from reduced pass-through revenues; in the early months of the year, this percentage will fluctuate regularly as tonnage potentially spikes or falls depending on weather and holiday activity.

Although tonnage is down, total average daily traffic through the Hawthorne Street Transfer Station has increased 8%, likely due to continued good weather, the significant uptick in greenwaste disposal and the reduction in the minimal disposal fee for solid waste.

Cash Disbursements:

Disbursements for August (Attachment D) totaled \$749,864. Payroll expenditures totaled \$154,804 for the month of August. A significant source of these disbursements is the work to clean close the Cummings Road Burn Ash Site; approximately \$93,400 of the total disbursements is attributable to the Authority and Recology's engineers and consultants working on the project. Transportation and Hauling of the Authority's wastes, as well as monthly bond principal and interest payments, totaled approximately \$453,300.

Cash Position Report:

This report (Attachment E) shows the balance of the checking, savings, and trust accounts as of August 31, 2014. It should be noted that only the checking and savings balances are available to the Authority for general business expenses. The bond balances are restricted for bond payments only.

Staff Report

DATE: September 10, 2014 For Meeting of: October 10, 2014
FROM: Jill Duffy, Executive Director
SUBJECT: Item 3c)
Approve Golder Associates Project Addendum No. 10, Dated September 10, 2014

RECOMMENDED ACTION: Voice vote.

- 1.) Consider approval of the Project Addendum dated September 9, 2014 in the amount of \$60,161 retroactive August 31, 2014 to August 31, 2015 with Golder Associates, Inc. to continue groundwater monitoring and reporting at the Cummings Road Landfill; and
- 2.) Authorize the Executive Director to Execute the Project Addendum dated September 10, 2014.

DISCUSSION:

Golder Associates has been under contract with HWMA to provide water quality monitoring and reporting for the Cummings Road Landfill since 2005. The attached Project Addendum dated September 10, 2014 identifies the proposed scope of services and activities to be conducted during FY 2014-15 and reflects regulatory monitoring changes resulting from the Cummings Road Landfill Waste Discharge Requirement (WDR) approved by the North Coast Regional Water Quality Control Board on May 2, 2013.

Golder Associates submits to the Authority cost estimates detailing the scope of services annually for the upcoming year. Most recently the Board approved Project Addendum dated August 2013 which detailed groundwater monitoring and reporting activities in the amount of \$62,378. The scope of services detailed the attached Project Addendum represents a *decrease* of \$2,217 from prior year services.

The original 2005 contract is available for review upon request at HWMA's Business office.

FISCAL IMPACT

This item has been budgeted for in the approved FY 2014-15 Budget.

FROM: Jill Duffy, Executive Director

SUBJECT: Item 3d)
Approve Leachate Hauling Agreement with B&B Portable Toilets, LLC from Cummings Road Landfill to City of Eureka Wastewater Treatment Plant.

RECOMMENDED ACTION: Voice Vote.

- 1) Review and Approve Leachate Hauling Agreement with B&B Portable and Authorize Executive Director to execute the Agreement

DISCUSSION:

HWMA Board of Directors approved awarding leachate hauling services with B&B Portable Toilets at the September 11th meeting, and directed the Executive Director to develop and present an agreement for consideration at the October 9th meeting.

Attached is the draft agreement for your consideration. Staff recommends approval of the conditions with a 5-year and 3-month term, beginning January 1, 2015 and concluding March 31, 2020.

Representatives of B&B Portable Toilets LLC and the Authority's legal counsel have reviewed and approved the draft agreement.

FISCAL IMPACT:

This service is budgeted for FY 2014-15. Based on the submitted proposal, staff expects to see a reduction of leachate hauling expenditures by approximately \$14,3000.

ALTERNATIVES:

Board discretion.

**AGREEMENT BETWEEN
THE HUMBOLDT WASTE MANAGEMENT AUTHORITY
AND
B&B PORTABLE TOILETS, LLC
FOR HAULING LEACHATE FROM CUMMINGS ROAD LANDFILL**

THIS AGREEMENT for Leachate Hauling ("Agreement") is made by and between the Humboldt Waste Management Authority, a joint powers public entity, (hereinafter referred to as "Authority" and "HWMA") and B&B Portable Toilets, LLC (hereinafter referred to as "Contractor"). This Agreement is effective as of January 1, 2015 ("Effective Date").

RECITALS

WHEREAS, HWMA owns and maintains a 33-acre Cummings Road Landfill located at 5775 Cummings Road, Eureka, CA, ("Landfill");

WHEREAS, as a normal maintenance byproduct, the Landfill generates leachate waste which must be transported to a wastewater treatment facility for proper disposal;

WHEREAS, the HWMA solicited proposals for a contractor to transport the leachate from the Landfill to the City of Eureka wastewater treatment facility, and, determined that the proposal submitted by Contractor best meets the HWMA's needs and that Contractor holds the necessary skills, qualifications, permits, licenses and equipment to provide such services;

WHEREAS, the parties intend to enter into a contract for such services.

NOW THEREFORE, in consideration of the mutual promises, covenants, and representations recited herein and made a material part hereof, the parties agree as follows:

1. **Scope of Services**. Contractor will perform hauling service for Authority in accordance with this Agreement. The term "Services" shall mean the Services to be performed by Contractor described in this Section 1 as follows:

Contractor shall provide the truck, appropriate trailer, labor and equipment necessary to transport leachate collected from the Cummings Road Landfill to the City of Eureka Wastewater Treatment Plant, located at 4301 Hilfiker Lane, Eureka, CA 95503. The Contractor shall keep trailers enclosed and/or sealed to contain leachate and prevent spilling or scattering of leachate during transportation Contractor will be paid on a per ton basis for disposal of leachate at the rate set forth in Section 3. Contractor shall weigh and record each load at the Hawthorne Street Transfer Station located at 1059 West Hawthorne Street, Eureka, CA 95501 prior to load disposal at the City of Eureka Wastewater Treatment Facility.

Contractor is required to provide leachate hauling services at a frequency and in such volume as to prevent overflow and potential damage to the leachate removal system located at the Cummings Road Landfill. Contractor will operate such that hauling services are available 365 days per year.

The Contractor must maintain, in good standing, a 'City of Eureka Holding Tank Wastewater Discharge Permit, and operate within the guidelines of the permit and policies of the City of Eureka Wastewater Treatment Plant.

For those days in which leachate hauling is required and the Hawthorne Street Transfer Station is closed to the public, Contractor shall be responsible for weighing of tonnages hauled at the Hawthorne Street Transfer Station as described above. The Authority shall provide hand tag forms for the recording of these weights, and shall make the forms available on those days in which its Hawthorne Street Transfer Station is closed to regular traffic.

All Contractor costs for providing the Services shall be accounted for and incorporated into Contractor's base transportation rate as outlined in Section 3 of this Agreement.

Any modification of scope, schedule, or budget relating to Services must be in writing in the form of an addendum and must be signed and dated by both parties prior to the performance of the additional proposed work and expenditure of additional funds for that work.

2. **Term.** The term of this Agreement shall be from January 1, 2015 through March 31, 2020. This Agreement may be terminated by either party upon 60 days advance written notice of its intent to terminate.

3. **Compensation for Services. Payment.**

- a. *Fees.* The Authority shall pay Contractor fees for Services of \$102.58 per load transportation of leachate to the City of Eureka Wastewater Treatment Facility.
- b. *Annual Adjustments to Base Transportation Rate* The Base Transportation Rate per transfer trailer load shall be adjusted annually on the Adjustment Date, beginning January 1, 2016, and every year thereafter for the Term of the agreement in an amount equal to seventy-five percent (75%) of the annual change in the Consumer Price Index for the U.S. City Average, All Urban Consumer Price Index (CPI-U): 1982-84 =100, for the month of October, compiled and published by the United States Department of Labor, Bureau of Labor Statistics of the preceding year multiplied by the then current Transportation Rate.
- c. *Payment.* Contractor shall prepare and submit its invoices to the Authority no more than once per month, and, for Services billed on a time and materials basis or in installments, shall provide a time summary of work performed by each person for whom charges are billed. All reasonable efforts will be made by the Authority to pay undisputed invoices within 30 days of receipt. If the Authority disputes an invoice, it may withhold that portion so contested, without the accrual of interest for late payment, and shall pay the undisputed amount. The Authority may withhold all or any portion of the funds provided for by this Agreement, without the accrual of interest for late payment, in the event that Contractor has materially violated or threatens to materially violate, any term, provision, or condition of this Agreement.
- d. *Base Fuel Rate Adjustment* The Authority shall pay to Contractor a fuel surcharge per load of leachate of \$35.35. The Base Fuel Rate shall be adjusted each month by comparing the Fuel Price Index levels with the lesser of:

- 1.) Contractors average cost of diesel fuel for the prior month; or
- 2.) Average California weekly diesel Fuel Price Index for the four weeks prior to the month being invoiced, published by the US Department of Energy (<http://www.eia.gov>)

The Authority shall pay Contractor a monthly Fuel Rate Adjustment based on the percentage change between the current rate, up or down, and the Base Fuel Rate. This percentage shall be applied to the Base Fuel Rate as provided in this proposal, multiplied by the loads delivered to the City of Eureka Wastewater Treatment Plant.

- e. Additional On-Site Storage Upon request and in the discretion of the Authority, B&B Portable may store at the landfill site 10,000 to 20,000 gallon frac tanks, at no-charge to the Authority.

4. Independent Contractor Status. Contractor is performing Services as an independent contractor for the Authority, and is neither an employee nor an agent of the Authority. Except as otherwise provided in this Agreement, Contractor shall have sole control over the manner and method of performance of the services, and Authority's only interest shall be in the results of such services. Authority's liability hereunder shall be limited to payment of the compensation provided in this Agreement. Contractor agrees and acknowledges that it is not entitled to any benefits or insurance, including without limitation any medical, unemployment, or disability benefits, on Authority's account.

5. Designation of Representative. Contractor and Authority shall designate specific individuals to act as representatives ("Designated Representative"), who shall have authority to transmit instructions, receive information, and implement the Agreement on behalf of each respective party. Either party may change its Designated Representative or the address of its Designated Representative by giving reasonable notice to the other party.

6. Notice. All notices required or permitted hereunder shall be in writing and shall be deemed to have been properly given and delivered when delivered personally (including by commercial messenger or courier or by facsimile transmission) or four (4) days after deposit in the U. S. mail with all postage or charges fully prepaid and addressed to the authorized representative of the appropriate party.

7. **Indemnification.**

- a. **General.** Contractor shall indemnify, hold harmless, protect and defend with legal counsel acceptable to the Authority or co-counsel acceptable to the Authority at Contractor's sole cost, HWMA and its employees, officials, members, officers, agents, assigns and volunteers from and against any and all liability to which any of them may be subjected by reason or resulting directly or indirectly from actions or inactions of Contractor performed or occurring under or in connection with the Agreement, whether or not those liabilities are litigated, settled or reduced to judgment.

The indemnities described in this subsection are intended to operate as an agreement pursuant to 42 USC § 9607(e) and California Health & Safety Code § 25364, to insure, protect, hold harmless and indemnify the Authority from liabilities in accordance with this section. The Authority does not hereby waive or surrender any other indemnity or remedy available to it, and Contractor is strictly liable to the Authority for hazardous materials conditions arising under this Agreement, including any repair, cleanup or detoxification thereof or preparation and implementation of any removal, remedial, response, closure or other plan.

- b. **Injuries or accidents.** Contractor retains responsibility for all injuries, accidents and other mishaps associated with its performance under this, including personal injury, damage to any real or personal property. Contractor will promptly report any such events to the Authority orally, followed by written notice within three working days, including details of any witness statements. Contractor will institute an emergency operations plan and provide a copy to the Authority upon the Authority's request. Said plan shall mitigate and correct hazards that may arise due to accidents or destruction from transportation services, including property damage and traffic disruption, and will include any business plan for emergency response to the release or threatened release of hazardous materials in accordance with applicable law.

8. **Insurance.** Prior to performing any Services hereunder and throughout the Term of this Agreement, Contractor shall maintain insurance in full compliance with all of the provisions of this Section 8.

- a. **General Liability:** General liability with minimum limits of liability per occurrence of Three Million Dollars (\$3,000,000), and per aggregate of Four Million Dollars (\$4,000,000).
- b. **Comprehensive automobile liability insurance:** Comprehensive coverage for all vehicles and all motor equipment, owned, leased, hired, borrowed or operated by Contractor in its performance of this Agreement, and shall obtain uninsured/underinsured motorists liability coverage. Minimum limits of liability per occurrence shall be Three Million Dollars (\$3,000,000), and per aggregate Four Million Dollars (\$4,000,000).
- c. **Pollution liability, environmental impairment:** Environmental impairment and release or spill of "pollutants" or "wastes" and all cleanup costs relating thereto with minimum limits of liability per occurrence of Three Million Dollars (\$3,000,000), and per aggregate of Four Million Dollars (\$4,000,000).
- d. **Workers' compensation insurance:** Workers' compensation as required by state law.

- e. **Employer's liability insurance:** Bodily injury by accident in the amount of Two Million Dollars (\$2,000,000) each accident and bodily injury by disease in the amount of Two Million Dollars (\$2,000,000) policy limit and each employee.
 - f. **Additional insured:** Contractor shall include the Authority and its employees, officials, members, officers, agents, assigns and volunteers by endorsement or otherwise as additional insured under all policies except with respect to employer's liability insurance.
 - g. **Primary coverage:** Contractor shall ensure that insurance policies are always primary with respect to performance under this Agreement.
 - h. **Evidence of coverage:** Contractor shall file with the Authority evidence of coverage in force, including endorsements, together with a Certificate of Insurance on an Authority- approved form, and shall annually file with the Authority, renewed certificates of insurance.
 - i. The Authority reserves the right at any time during the term of the Agreement to change the amounts and types of insurance required upon ninety (90) days advance written notice to Contractor.
9. **Compliance with applicable law.** Contractor will perform all its obligations under this Agreement in accordance with applicable local, state and federal law. Contractor is solely liable for all fines and penalties that may be imposed on Contractor to the extent that those fines and penalties are the result of Contractor's violations of applicable law.

10. **Events of Default.**

- a. **Contractor Default.** Each of the following constitutes an event of default:
 - (1) *Breach of Agreement.* Contractor fails to perform any of its obligations under this Agreement and fails to cure that breach within five (5) days of receiving notice from the HWMA specifying the breach.
 - (2) *Attachment.* Attachment of any equipment owned by Contractor that is necessary for its ability to provide transportation services is seized, attached, or levied upon and not placed back into service within two business days.
 - (3) *Bankruptcy, insolvency, liquidation.* Contractor's filing of a voluntary claim for debt relief under any applicable bankruptcy, insolvency, debtor relief, or other similar law now or hereafter in effect, or consents to the appointment of or taking of possession by a receiver, liquidator, assignee, trustee, custodian, administrator of Contractor for any part of Contractor's operating assets or property.
- b. **HWMA default.** Each of the following constitutes an event of default: HWMA's failure to make any payment in accordance with Section 3.
- c. **Remedies upon default.**

(1) *Authority's remedies.* Upon occurrence of a Contractor default, the Authority has the following rights:

- i. To terminate the Agreement;
- ii. To suspend the Agreement;
- iii. All other available remedies to exercise its remedies in accordance with this Agreement in any other available remedies at law and in equity including specific performance.

(2) *Contractor's remedies.* Upon occurrence of a HWMA default, Contractor has the right to exercise any and all available remedies at law and in equity.

- 11. Contractor Warranties and Representations.** Contractor warrants and represents that (i) it possesses the business, professional, and technical expertise to perform the Services, (ii) it possesses the equipment, facilities, and employees to perform the Services, (iii) it shall perform the Services, within the limits prescribed by the Authority, in a safe and workmanlike manner consistent with the care and skill ordinarily exercised for such services by other companies providing similar services under similar circumstances and conditions at the same time and in the same locality, (iv) it shall perform the Services in material compliance with all valid and applicable laws and regulations, and (v) as of the Effective Date of this Agreement, all material permits, licenses, certificates, or approvals required by applicable statutes, ordinances, orders, rules and regulations necessary to perform the Services.
- 12. Waiver.** Either party's waiver of any breach or default may not be deemed to be a waiver of any other breach or default, including ones with respect to the same obligations under this Agreement. The subsequent acceptance by either party of any damages or other money paid by the other party may not be deemed to be a waiver by that party of any preexisting or concurrent breach or default. Failure to object to breach or event of default is not and may not be construed as a waiver of that provision.
- 13. Dispute resolution.** The parties agree to negotiate any disputes over the performance of their respective rights and obligations under this Agreement in good faith for a period of at least 30 days after the date of notice invoking the need for dispute resolution or exercising rights under law. Neither party may initiate court action prior to such good faith negotiation and following that prior to good faith third-party mediation.
- 14. Governing law, venue.** This Agreement and performance hereunder and all suits and special proceedings shall be interpreted in accordance with California law. Venue shall be fixed in Humboldt County.
- 15. Authority to Execute Contract.** Each party hereto warrants and represents to the other party that such party has the full right, power and authority to enter into this Agreement and has obtained all necessary consents and approvals to consummate the transaction contemplated hereby.
- 16. Assignment, subcontract.** Neither party shall assign its rights, interests, duties or obligations under this Agreement without consent from the other party, which shall not be unreasonably withheld. Contractor may not subcontract Services without prior written consent from Authority. In the event Contractor subcontracts any part of the Services, each subcontractor shall be bound by the same terms and conditions concerning insurance as outlined herein and Section 8 will be made a part of any such subcontract agreement.

17. **Excuse of Performance.** The performance of this Agreement, may be suspended by either party in the event performance of this Agreement is prevented by a cause or causes beyond the reasonable control of such parties. Such causes shall include but not be limited to: acts of God, acts of war, riot, fire, explosion, accidents, inclement weather or sabotage, lack of adequate fuel, power, raw materials, labor or transportation facilities; changes in government laws, regulations, orders, or defense requirements; restraining orders, labor disputes, strike, lock-out or injunction (provided that neither party shall be required to settle a labor dispute against its own best judgment). The party which is prevented from performing by a cause beyond its reasonable control shall use its best efforts to eliminate such cause or event.
18. **Modifications.** No modifications to this Agreement including the scope of Services, schedule, or budget relating shall be effective unless in writing in the form of an addendum or amendment, signed and dated by both parties prior to the implementation of such modification.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized representatives effective on the date of the last party signing below.

FROM: Jill Duffy, Executive Director

SUBJECT: Item 3e)
Ratify Receipt of Article 5 Funds Held in Trust by the North Coast Regional Water Quality Control Board in the Amount of \$64,441.49

RECOMMENDED ACTION: Voice vote.

- 1.) Authorize the Authority to ratify receipt of funds in the amount of \$64,441.49

DISCUSSION:

At the time of the formation of the HWMA (November 1999), the Authority entered into an agreement with City Garbage of Eureka (now Recology of Humboldt) to purchase the Hawthorne Street Transfer Station. In addition to the purchase of the Transfer Station, Recology transferred ownership the 33-acre Cummings Road Landfill, along with three trust funds. The three trust funds were 1) Closure and Post Closure Trust; and 2) the Environmental Liability Trust Fund; and 3) the Article 5 Corrective Action Trust Fund, originally valued at approximately \$960,000.

The Article 5 Corrective Action Trust, held by Union Bank and overseen by the North Coast Regional Water Quality Control Board, was initially established as a requirement to fund Cummings Road Landfill improvements to protect water quality. At that time, surface water was used by residents in the Freshwater and Pigeon Point Road area. The improvement resulted in the installation in of a leachate collection and removal system at the landfill in the mid-1990's at a cost of \$890,942. To date, the remainder of the Article 5 Trust funds have been held in trust by the NCRWQCB. As of September 11, 2014, the Article 5 Corrective Action Trust balance sat at \$63,441.49.

During discussions with Gina Morrison of the NCRWQCB in May of 2013, she indicated the possibility of consideration to release these funds to the Authority to assist in funding Cummings Road Burn Ash Clean Up activities. On September 11, 2014, the NCRWQCB Executive Director submitted a letter to Union Bank authorizing release payment to the Authority.

FISCAL IMPACT

Receipt of funds was not budgeted, however will offset costs associated with the Cummings Road Burn Up Clean Up Project.

Dear Mr. Sevigny:

Subject: Request for Closure of Union Bank Trust Fund Account Number 6710412005 with Disbursement of Funds to Humboldt Waste Management Authority

File: Cummings Road Solid Waste Disposal Site, Cummings Road, Humboldt County, WDID No. 1B79133OHUM (SWIS No. 12-AA-0005)

I am requesting that you close Union Bank Trust Fund Account Number 6710412005, trust fund for the Cummings Road Landfill known and foreseeable release fund, and disburse all remaining funds (\$63,441.49 as of June 30, 2014) to Humboldt Waste Management Authority. The Account Name is Humboldt Waste Management Authority as Assignee of Eureka Garbage Company of Eureka, Inc.

The check should be sent to Ms. Jill Duffy, Executive Director, Humboldt Waste Management Authority, 1059 West Hawthorne Street, Eureka, CA 95501.

Humboldt Waste Management Authority has established an environmental pollution insurance policy for the Cummings Road Landfill known and foreseeable release fund and the trust fund is now redundant. The remaining trust fund monies are to be used to pay for corrective action occurring on the landfill property this year.

The account currently shows my predecessor, Catherine E. Kuhlman, as Executive Officer. You may verify my position on our website at <http://www.waterboards.ca.gov/northcoast/> by selecting the tab labeled About Us, then selecting the bullet labeled Org Chart.

Thank you for your assistance in this matter. If you have any questions please contact Gina Morrison of my staff at (707) 576-2501 or gina.morrison@waterboards.ca.gov.

Sincerely,

Staff Report

DATE: October 1, 2014 For Meeting of October 10, 2014

FROM: Jill Duffy, Executive Director

SUBJECT: Item 5)
Solid Waste Loading Agreement with Eel River Disposal, effective November 1, 2014.

RECOMMENDED ACTION: Voice Vote.

- 1) Approve terms of agreement with Eel River Disposal to load solid wastes, authorize the Executive Director and Legal Counsel to draft and execute the agreement.

DISCUSSION:

Since June 1, 2014 the Authority has had a short-term loading and transportation agreement with Eel River Disposal (ERD) to use the Authority's designated transportation hauler's trailers to load member agency solid waste and transport these trailers to the Bettendorf Transportation yard located in Arcata. This agreement expires October 31, 2014.

At the September 11, 2014 meeting, the HWMA Board of Directors approved a letter to the member agencies, requesting that, in accordance with their franchise agreements, that they provide notification to their respective franchise haulers that solid waste be directed to the Authority's designated transportation provider.

HWMA staffs met representatives from ERD and are in discussions regarding the placement of trailers by the Authority's designated transporter, dispatch protocol and trailer availability, and terms and conditions necessary to develop an agreement.

HWMA staff recommends the Board receive an update on progress of this item, consider a term sheet that will be presented at the regular October 9 Board meeting, and provide direction to staff and legal counsel for the development of an agreement. Staff anticipates the final agreement will be presented to the Board for approval at the November 13th meeting for ratification.

ALTERNATIVES:

Board discretion.
