CHRISTMAS TREE RECYCLING LOCATIONS

GIVE YOUR TREE A NEW LIFE

EUREKA, CA – With the holidays coming to a close, residents may dispose of their Christmas trees at several community locations at no-charge or may arrange for pick-up by their trash hauler. Residents are encouraged to recycle their Christmas trees so they may be processed into useful mulch or compost. To prepare Christmas trees for recycling, residents must remove all decorations, including ornaments, hooks, garland, tinsel and lights. Flocked trees may not be recycled.
