Surplus Equipment Sale

The Humboldt Waste Management Authority has declared the following equipment surplus and authorized the Executive Director to accept sealed bids for the following equipment: (1) 2006 John Deere Tractor, min. bid \$3,500; (2) 2009 Polaris 6x6, min. bid \$2,500; (3) 2004 Quincy Northwest F-40-T, min. bid \$2,500; (4) 2004 Hyster H-50 Forklift, min. bid \$500. The equipment may be seen Monday thru Friday during regular business hours at Humboldt Waste Management Authority's Cummings Road Landfill 5775 Cummings Road, Eureka, CA. 95501. Specification sheets are available by email and pick up at our main office location, or if inquiring by mail, address your request to Humboldt Waste Management Authority 1059 West Hawthorne Street, Eureka, CA. 95501. All potential bidders are encouraged to view the equipment in person prior to placing a bid.

Equipment Bids must be clearly marked Surplus Equipment: (John Deere Tractor; Polaris 6x6; Quincy F-40-T; Hyster Forklift) on the face of the sealed envelope. Use a separate envelope for each piece of equipment. Bids must be

received before 3 PM on August 24, 2026.

All bids shall be publicly opened on by the Executive Director, or a designee, at 1059 West Hawthorne Street, Eureka, CA. 95501 at 10AM on August 25, 2026.
